ACADEMIC DETAILS

B.Tech -Artificial Intelligence and Data Science Kongunadu College of Engineering and Technology

9/2021 -Present,
Trichy

CGPA-8.6

HIGHER SECONDARY Achyuta Public School

06/2020 - 05/2021,
Dindigul

Percentage-68.8%

SECONDARY SCHOOL (SSLC) Shri Maharishi Vidhya Mandir School

06/2018 - 05/2019,
Dindigul

Percentage-65%

PERSONAL PROJECTS

Diet Nutrition Assisted System Based On Food Recognition using Deep Learning (09/2023)

Developed a food quality and dietary measurement application using Flask, leveraging CNN algorithms for data analysis and employing both supervised and unsupervised learning techniques for training.

Docent Cyborg-GenAi in Museums (04/2024)

Developed an AI-powered chatbot for museums using Python and ChromaDB, providing personalized artifact information and enhancing visitor engagement through text generation and interactive querying.

PAPER PRESENTATIONS

- Presented a paper on the topic of "WARDROBE WIZARD" at Karpagam college of Engineering in Coimbatore. (Mar 2024)
- Presented a paper on the topic "CYBER SECURITY USING AI" at KGiSL Institute of Technology. (Sep 2023)

CERTIFICATES

Web Application Development (08/2023)

Xplore-IT Crop System Tron

Coimbatore

Machine Learning With AI Applications (03/2022)

Xplore-IT Crop

Coimbatore

Certified Python Course by IT Specialist(10/2023)

Certiport-A Pearson VUE Business

ACHIEVEMENTS

TEZARIO 24 hours-Intra college Hackathon(03/2023)

Best performer of the contest.

PROGRAMMING LANGUAGE

Python

Java

SKILLS

Creative Designing

Communication

MySQL

Flask

Machine Learning & AI

AREA OF INTEREST

Big Data Analytics & XAI

Front End Development

LANGUAGES

English

Full Professional Proficiency

Tamil

Native or Bilingual Proficiency

Hindi

Elementary Proficiency

INTERNSHIP

AI/ML Intern (12/23-01/24)

System Tron

- Completed intensive training on Artificial Intelligence and Machine Learning principles.
- Gained hands-on experience with machine learning algorithms and AI frameworks.
- Developed and implemented predictive models to solve real-world problems.

CURRICULAR ACTIVITIES

Member of CSI and ISTE

Organized various events in college
